The Border Police Bereitschaft in Rostock was the only Border Police Bereitschaft to have a permanent radio connection with the HVDGP. However, all Border Police Bereitschaften were scheduled to be equipped with 100-Watt transmitters in the first quarter of 1954. In connection with these plans, a radio course was being held in Glowe. This course was attended by 70 men.

7. In early January [redacted] the headquarters of Border Police Bereitschaft Koepfelsdorf was to be moved to the Saalfeld area, because it proved impossible to establish a radio connection with Koepfelsdorf. The Border Police komendatura formerly located at Oberlind was transferred to Koepfelsdorf. 25X1
8. On 1 January, the organization of the 4th Border Police Bereitschaft of the "Ring um Berlin" was started. The headquarters of the Bereitschaft is in Schenkendorf. The unit will ultimately have a strength of 1,450 officers and men. 2
9. As of 20 December 1953, the Border Police Bereitschaft in Frankfurt/Oder had a total strength of 423 officers and men. The headquarters numbered 56 men instead of 46 as laid down in the table of organization, while each of the staffs of the komendaturas in Frankfurt/Oder and Forst numbered 22 men. The individual Granzkommandos averaged 12 men each, while their authorized strength was 16 men. On account of complaints, the HVDGP initiated an investigation against Major Buder, CO of the Border Police Bereitschaft and his political officer, Major Weiss. The investigation took place between 12 and 21 December and was carried out, among others, by Senior Lieutenants Maschlanka and Grant, Major Kuballa, and Captain Mosch.
